

First Chance For Children

Ready for School, Ready for Life

**Playing at
First Chance for Children
Lend & Learn Library**

I will go to First Chance for Children to play at the Lend and Learn Toy Library.

I will follow directions. I will stay calm and be safe.

I will tell someone if I need or want anything.

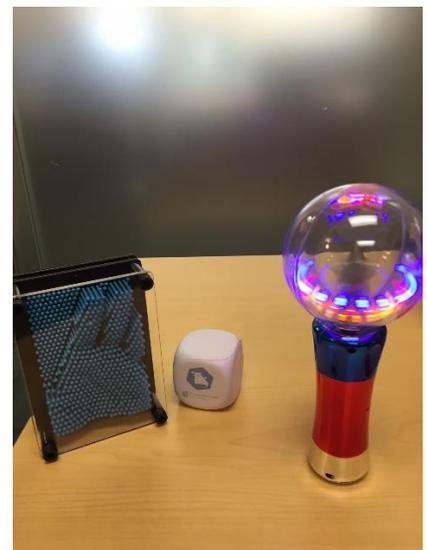

I will stay with my family in the parking lot.

I will walk in the door with my family.

First, we fill out a form and sign our name on a calendar.

This is where I will wait while my family fills out the paper and calendar. I will stay calm and be safe. I can ask for some toys to use while I wait.

Next, I can play with the toys. There are many choices. I can stay with my family while I play.

There is a special room for babies to play in. I can stay calm and be safe near babies. I can share the toys.

I can do art. I will stay with my family while I do art. I will clean up after I am done with the art supplies.

Parents Please Supervise/Help
your child while they are
working in the art room.
Thank you

I can play dress up, kitchen, doll house, animals, slide, or puppets. I will stay calm and be safe. I will share the toys. I can let someone know if I need or want anything.

I can have a snack or drink if I get hungry or thirsty. I can ask my family or the workers for help. I can clean up after my snack.

I might check out some toys or books to borrow. I can take them home to play with and bring them back another day.

When playtime is over, I can clean up the toys. I can follow directions. I will be calm and safe. I will stay with my family in the parking lot. I will go home soon.

Playing at First Chance for Children is fun!
