

**Going to the Four Seasons Hotel**

I'm going to the Four Seasons Hotel in St. Louis, Missouri.

I will stay calm and be safe. I will tell someone if I need or want anything.

People will hold the front doors open for me.

I will walk through the doors one time. I will follow directions and stay close to my family.

First, I check in at the front desk. I can wait my turn. I can stay calm and be safe in the lobby. I can ask to use some toys to help me stay calm if I need them.

Next, I will go up to my hotel room.

I will be safe as the doors open and close on the elevator.

I will only push the button that I am told to push.

I will stand still in the elevator as it moves.

There is a big staircase with windows all around it. I can see the whole city! These stairs are safe.

My hotel room may look like these. I can watch TV or play with things I brought with me. This is where I will sleep. I will be safe in my hotel room.

The bathroom of my hotel room may look like this. The mirror has a TV inside of it. It is really neat!

There is a pool at the Four Seasons. I can be safe at the pool. I will walk at the pool to stay safe. I will follow all rules and listen to adults.

There is a restaurant at the hotel. I can look at the menu and choose what I want to eat. I can tell the server what I would like to eat and drink. I will sit in my chair and stay at my table. I can ask to use some toys to help me stay calm.

I might go with my family to other places in St. Louis. I will walk on the sidewalks. I will stay with my family. I will follow directions.

When it is time to leave the hotel, I will check out at the front desk.

I will wait my turn. I can be calm and safe in the lobby.

I am all done at the Four Seasons!

Soon I will go home.

Staying at the Four Seasons was fun!
