

# TAKING MY PET TO ON-BROADWAY PET STYLING

Lots of pets are groomed. I am going to take my pet to On-Broadway Pet Styling in Hartsburg, Missouri.

This is where I enter.

I will stay calm and be safe. I will tell someone if I need or want anything.

My pet will be bathed, brushed and given a haircut.

Heather and Hannah are groomers who will take care of my pet.

I will drop my pet off and pick him or her up in a few hours.

I can ask to use some toys to help me stay calm and keep my hands to myself if I need them.

When is time to pay for the grooming services, I will wait with my family while we pay using the iPad.

After we pay, we will put our pet in the car and go home.

Getting my pet groomed at On Broadway Pet Styling is great!
