

Going to Luv 2 Play

I'm going to Luv 2 Play in Leesburg, Virginia.

I will stay calm and be safe. I will tell someone if I need or want anything. I can use toys while I wait or if I feel scared.

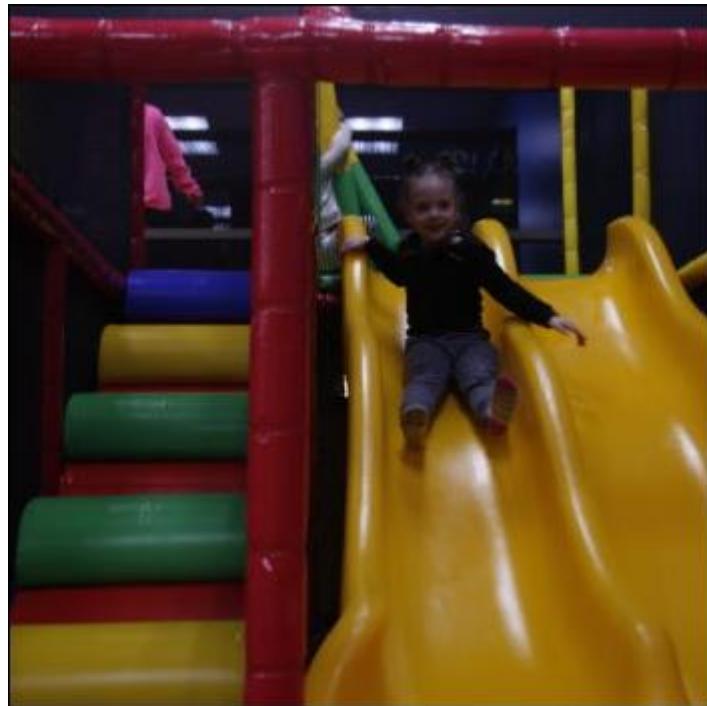

There are many things to play at Luv 2 Play.

I will stay inside the building. I will listen and follow directions.

There is an area for little kids and an area for big kids. I will be careful with the other kids and keep my hands to myself.

I will ask people to move if I need to get by them. I will wait my turn for the slide or swings or sand area.

I can play in the ball pit, climb in the tunnels, or play a game.

I can ask for a turn. I can share the toys. I can ask to take a break.

I might eat at Luv 2 Play. I can tell someone what I want to eat.

I will only eat the food on my plate. I will stay at my table. I will ask if I want some more food or drink. I will tell someone when I am all done.

I will listen when it is time to go home. I will walk to the car with a calm, safe body. I will stay with my family.

I will have so much fun at Luv 2 Play and I will do my best to follow directions. I cannot wait to come back and play again!
