

Going to Sky Zone

I'm going to Sky Zone in Columbia, Missouri.

I will stay calm and be safe. I will tell someone if I need or want anything.

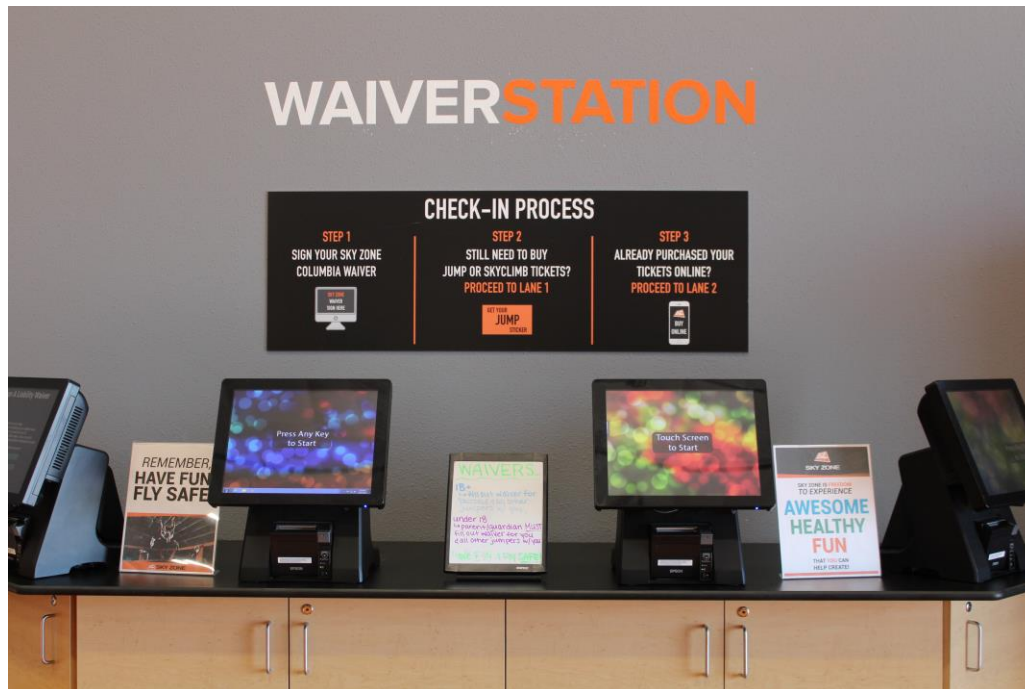

When I walk through the front door, I will see a lot of fun things to do. I will follow directions and stay next to my family.

First, my mom or dad will fill out a waiver. A waiver means they say it's okay to play at Sky Zone.

While they fill out the waiver, I can wait my turn. I can stay calm and be safe. I can ask to use some toys to help me stay calm if I need them.

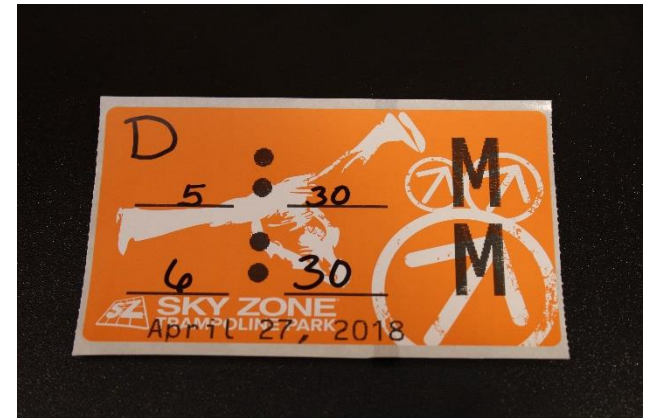

There is a prize area with lots of fun items and toys. I can look at the items and keep my hands by my side.

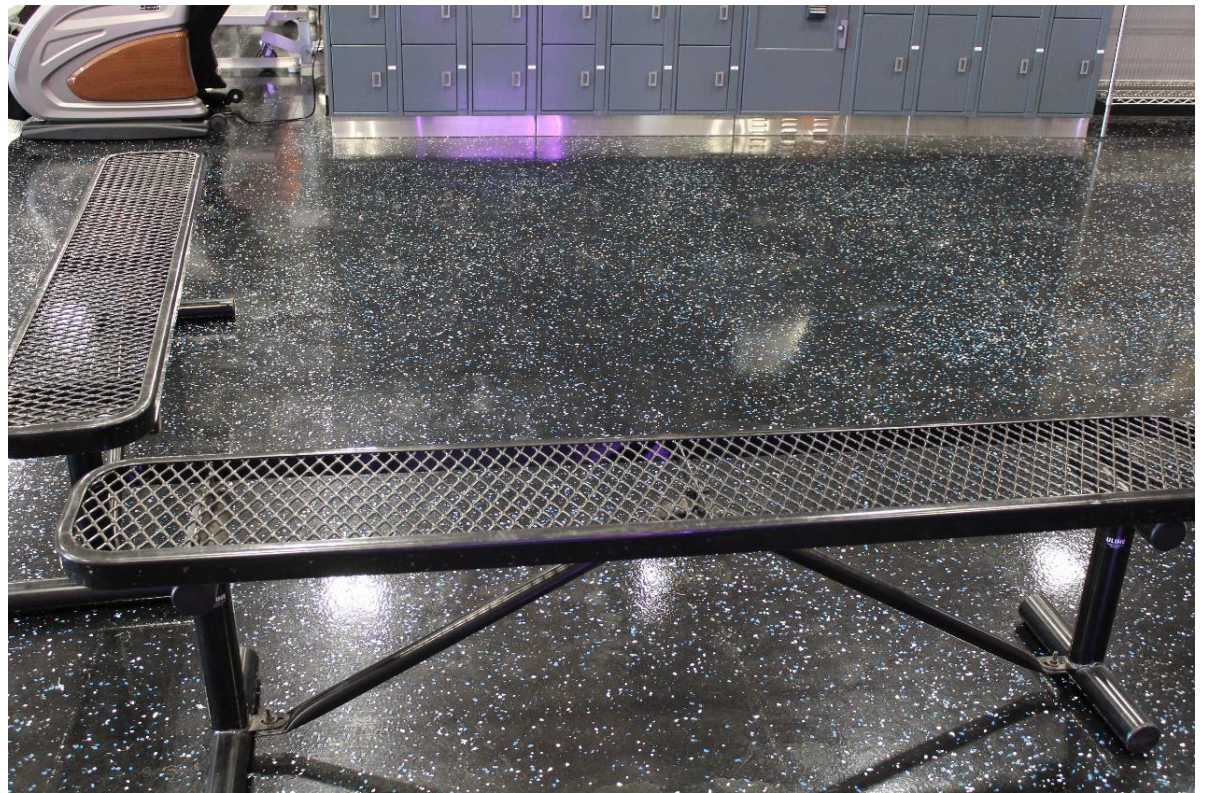

Next, I will follow my parents to the front desk. I will stay by them and keep my hands to myself.

The front desk worker will give me a sticker to put on my back. This is my ticket so I can play. I will keep my sticker on my back until I leave.

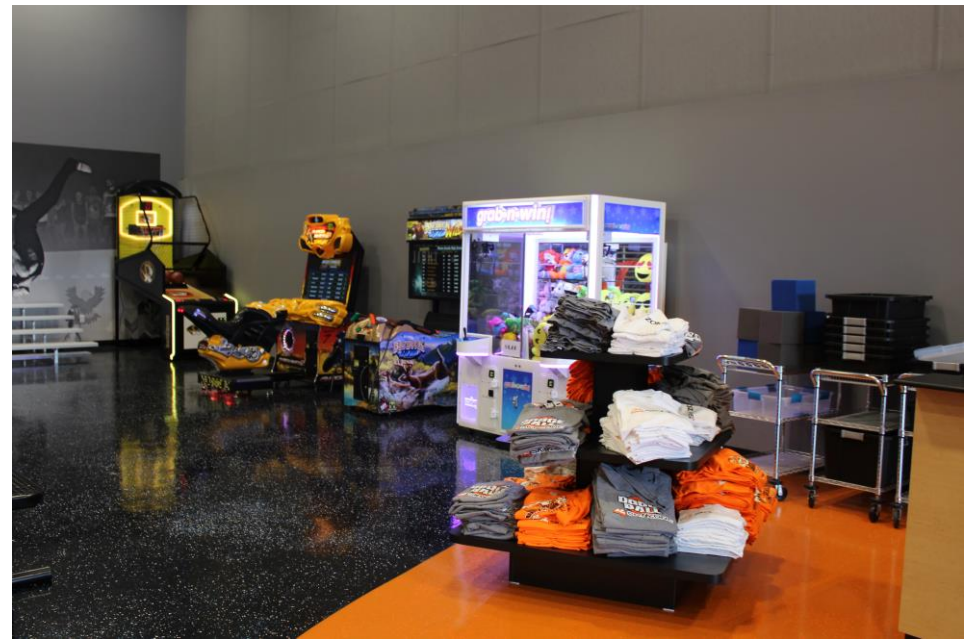

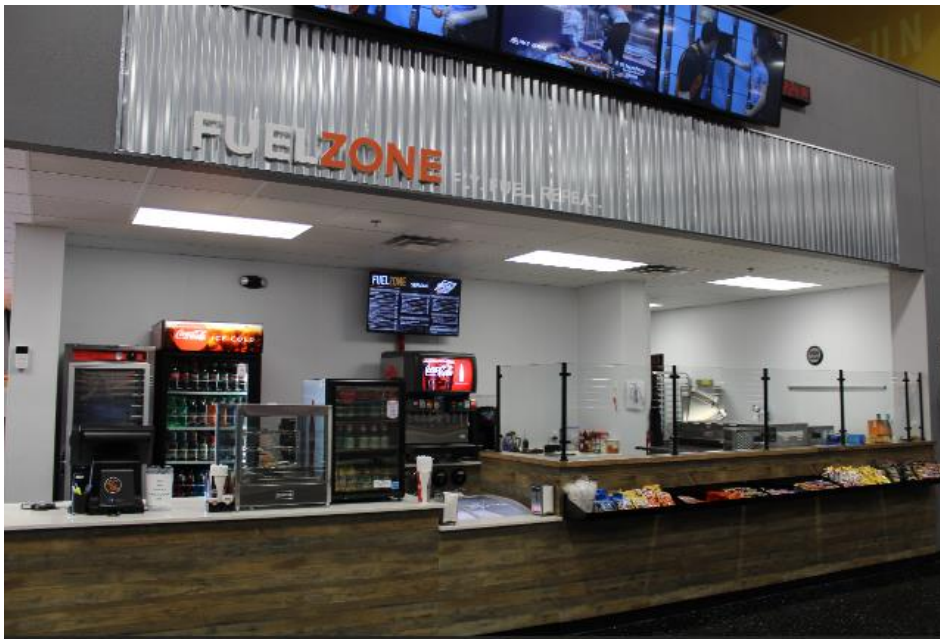

The front desk worker will give me a pair of orange socks. They have rubber squares on the bottom. The socks keep me safe so I don't slip. I will keep my socks on until I leave. I can sit on the bench and put on my socks.

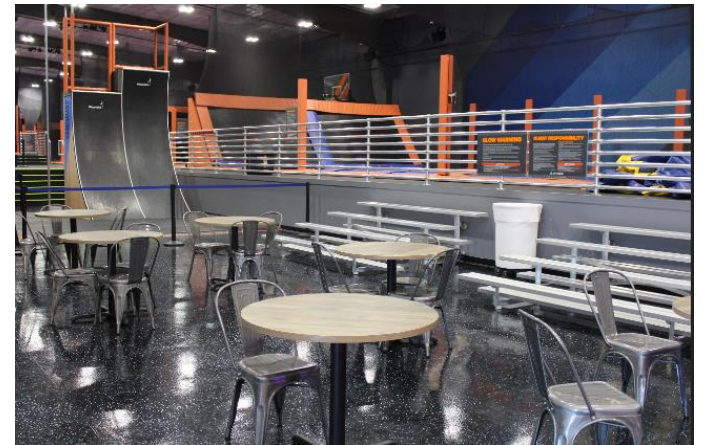

There is a snack area and game machines at Sky Zone. I will keep my hands to my side when I look at the snacks.

I can ask my parents if I want a snack or to play a game. I will listen to what they say. If they say no, that's okay! I can stay calm and safe.

I will see black chairs at Sky Zone. These are only for adults. If I sit in this chair, it will beep loudly. I can cover my ears. I will stay calm and safe.

While I wait for my turn to play, I can sit on the bleachers or at a table.

When it's my turn to play, a Sky Zone worker will tell me. I will be quiet and listen while they go over the rules. I will follow the rules. Following the rules keeps me safe.

When I jump, I can keep my hands and feet to myself. I will only jump inside my square. Only one person can jump in a square at a time.

There are a lot of fun things to do at Sky Zone. I will stay with an adult while I play.

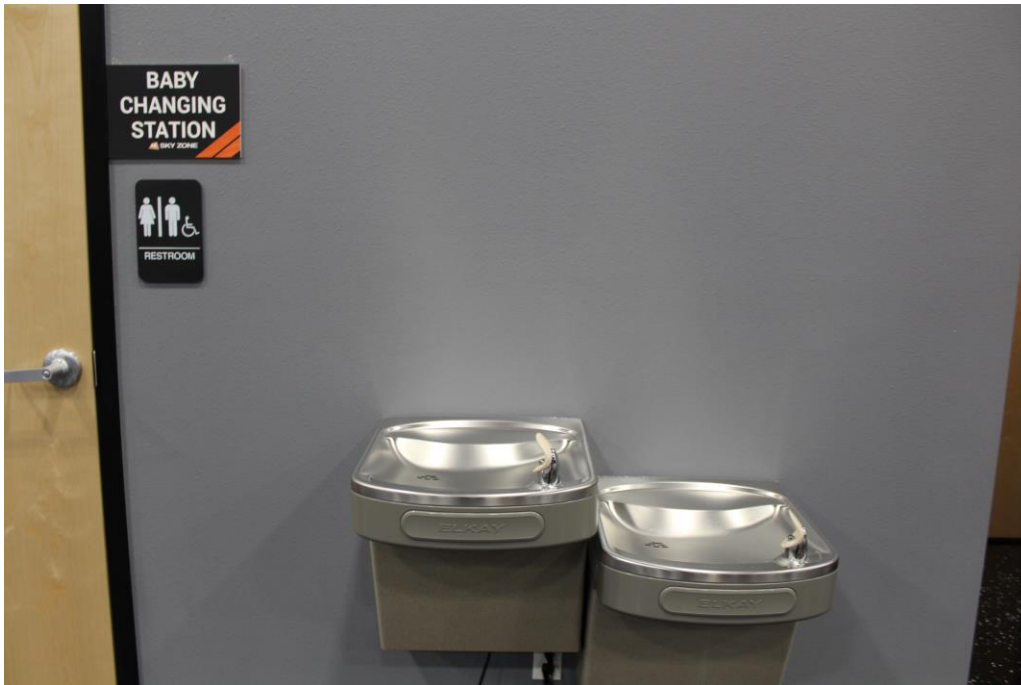

Sometimes, kids play dodgeball. I can ask a Sky Zone worker if I can play. If they say no, that's okay! I can stay calm and be safe. I can ask my parents or a Sky Zone worker if I don't know what the rules are or how to play the game.

Each activity has different rules. I can follow the rules and be safe. If I don't know what the rules are, I can ask my parents or a Sky Zone worker.

If I need to go to the bathroom or get a drink, I can tell my parents. The bathrooms are next to the snack area. There are water fountains outside the bathroom. After I use the bathroom, I can wash my hands.

If I need to take a break, I can go to the Chill Zone. The Chill Zone is upstairs and I can have an adult go with me. There are tv's I can watch. I can sit at the table or on the couches. I will sit on my bottom and keep my hands and feet to myself.

When it is time to leave Sky Zone, I will listen to my parents and stop playing. It is fun to play, but I can follow directions! I will take off my socks and put on my shoes. I get to keep my socks! I can take off my sticker. I can put my sticker on the big ball by the door or put it in the trashcan.

I will wait for my parents before I go out the door. I can be calm and safe when I leave.

I am all done at Sky Zone. Playing at Sky Zone was fun!
