

Going to the Heart of Wildwood Hotel

I am going to the Heart of Wildwood Hotel in Wildwood, New Jersey.

I will stay calm and be safe. I will tell someone if I need or want anything.

This is the front door to the hotel. I will walk through the door one time. I will follow directions and stay close to my family.

First, my family will check in at the front desk. I can wait my turn. I can stay calm and be safe.

I can ask to use some toys to help me stay calm if I need them.

Next, I will go to my hotel room. I may have to walk through the parking lot. I

will hold an adult's hand and I will walk with them. I will be safe.

To get into the room, I will walk through a door from the outside.

My hotel room may look like this. I can watch TV or play with things I brought with me. This is where I will sleep. I will be safe in my hotel room.

There is an outdoor pool and deck at the hotel. I can be safe at the pool. I will walk on the deck to stay safe. I will follow all rules and listen to adults.

The pool is by the beach. If I want to go to the beach, I will tell an adult. I will only go to the beach when an adult is with me.

The hotel is also near a Boardwalk. The Boardwalk has bright lights and loud noises.

I can tell an adult if the lights are too bright or the noises are too loud. I can ask to use some toys or headphones to help me stay calm.

When it is time to leave the hotel I can be calm and safe.

I am all done at the Heart of Wildwood Hotel! Soon I will go home.

Staying at the Heart of Wildwood Hotel was fun!
