

Going to Children's Liturgy the Newman Center

During mass, a teacher will stand at the front of the chapel and ask me and other children to come to the front. I can walk to the front or stay with my parents. I can be calm.

The teacher will read a story. I can be a good listener while she reads.

After the teacher is done reading, I get to go upstairs to play and learn. I can follow my teacher to the Gathering Place or walk there with my mom and dad.

Once all the kids are in the Gathering Space, we will be put into different groups. I can be quiet and listen for what group I am in.

I will walk calmly with my hands to my side. I will follow my teacher upstairs to my classroom.

In the classroom, my teacher will tell us about God. I also get to do a craft project.

When I am done in my class, I will follow my teacher downstairs. I will listen and be quiet. I will stay with my teacher until she tells me to go sit with my family. I will walk quietly to my family.

Going to my classroom and learning about God
is fun!
