

Going to Papa's Cat Café

I am going to Papa's Cat Café!

I will be safe and have fun at the cat café.

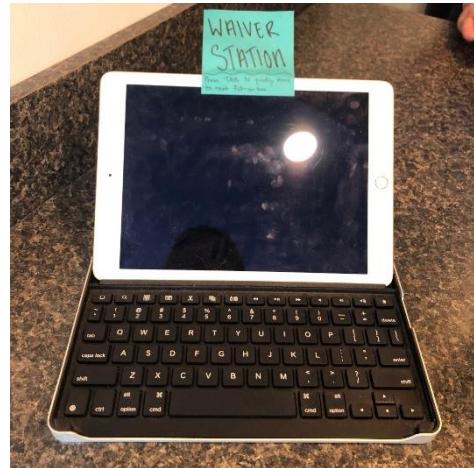

First, we will park the car. I will stay with my adult in the parking lot.

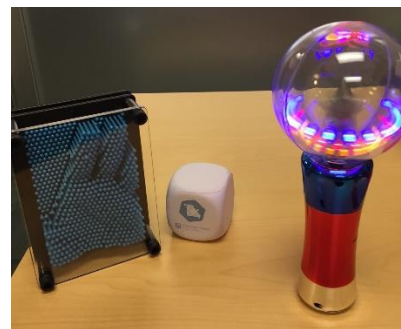

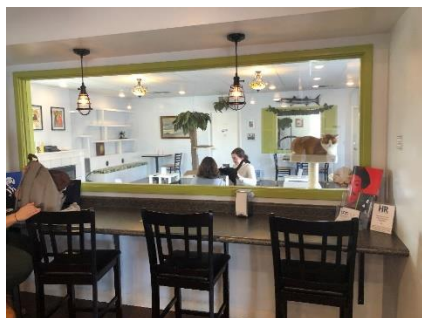

Next, we will go in the front door.

When we get inside, we will check in at the front desk. We will tell the worker how long we want to play with the cats. My adult may need to fill out a waiver on the iPad at the front desk. This will let me play with the cats. I might get a snack or drink. I will stay calm even if I don't get a snack.

I will be calm and safe while I wait for my adult to check in. I can look at the cats through the window while I wait. I can ask for some toys to play with if I need them.

I can use the bathroom before I go in to play with the cats if I need to. I will be calm and safe in the bathroom.

I will put hand sanitizer on my hands before I go in the room to play with the cats. This helps keep the cats healthy.

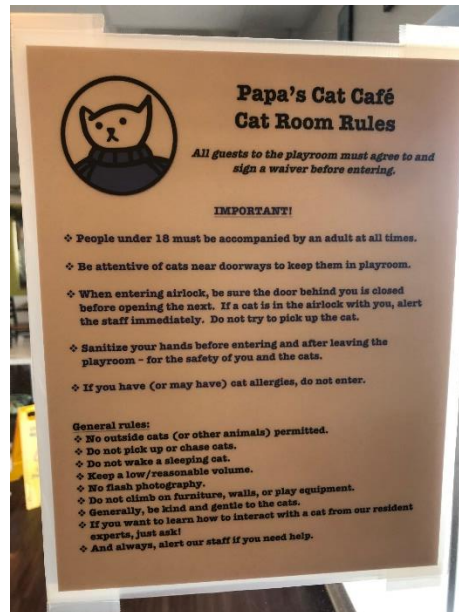

After I use hand sanitizer, I will enter a door that will take me to a small hallway. I will stay with my adult while we go through the door.

Next, I will take off my shoes. I will put my shoes in the shelf. My shoes will be on the shelf to put on when I am done playing with the cats.

After that, I will review the cat room rules with my adult before I play with the cats. These rules help keep me and the cats safe.

Then I will go into the cat room! I will see many cats in the cat room.

I will be calm and safe with the cats. I will keep my food and drink for myself. I will not feed the cats.

I can pet the cats. I can use toys with the cats.

I will keep the cats on the floor or their cat beds. I will not pick up the cats. I will let cats who are sleeping stay asleep. I will let cats hiding in the holes keep hiding. This makes the cats feel safe and happy.

I will keep my hands away from the cat food, cat water, and litter room door.

I will keep my hands away from the cleaning supplies. I can ask an adult if I need help cleaning up a mess.

There are fun cat books to look at in the cat room! I can look at the cat books if I want. I will put the books back in the shelf when I am done with them.

When my time to play with the cats is finished, I will get ready to leave the cat room. I will stay calm and safe when my time to play with the cats is over. Before we leave, I will use hand sanitizer again. This will help clean my hands and keep me healthy. Next, I will go back to the shoe shelf and put my shoes back on.

I can use the lint roller if I want to take cat fur off of my clothes.

Last, I will go to the car to go home. I will stay safe and calm in the parking lot. I will stay with my adult.

I did a great job at the cat café! Going to Papa's Cat Café was fun! I hope to play at the cat café again soon!
