

GOING TO  
THE BROADWAY

# I'M GOING TO THE BROADWAY HOTEL.

I will stay calm and be safe. I will tell someone if I need or want anything.

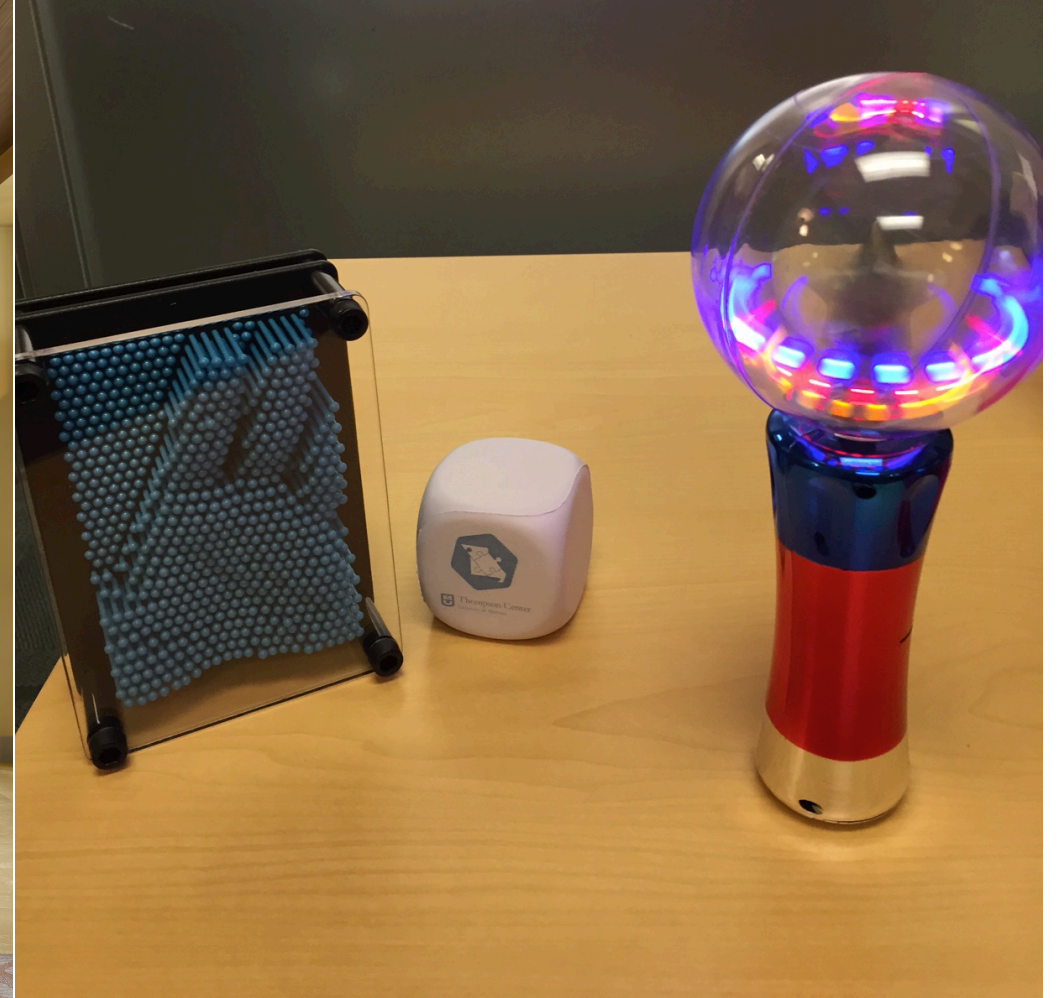

The front doors slide open when I walk through them.

I will walk through the doors one time.

First, I check in at the front desk. I can wait my turn. I can stay calm and be safe in the lobby. I can ask to use some toys to help me stay calm if I need them.

Next, I will go up to my hotel room.

I will be safe as the doors close on the elevator.

I will only push the button that I am told to push.

I will stand still in the elevator as it moves.

My hotel room may look like these.

I can watch TV or play with things I brought with me.

This is where I will sleep.

I will be safe in my hotel room.

There are two places to eat at The Broadway.

One is downstairs and inside called Eleven Eleven.

The other is at the top of the building and is outside. It is called The Roof.

I can be calm and stay safe in the restaurant.

I can ask to use some toys to help me stay calm if I need them.

I can sit in my chair. I can stay at my table.

I can look at the menu and choose what I want to eat. I can tell the server what I would like to eat and drink.

I might go into downtown Columbia.

There are many things to see and do in downtown Columbia.

I will walk on the sidewalks.

I will stay with my family.

I will follow directions.

When it is time to leave the hotel, I will check out at the front desk.

I will wait my turn. I can be calm and safe in the lobby.

I am all done at  
The Broadway!

Soon I will go home.

Staying at The Broadway was  
fun!
