

# Going to Healing Hearts Counseling

I am going to Healing Hearts Counseling! I will be safe and stay calm. First, we will park the car. I will stay with my adult in the parking lot. Next, we will go in the door and walk down the hallway.

When we get inside, we will check in at the front desk.

I will sit in a chair until the worker tells me what to do.

The worker will tell me what room I will go to. I will walk to the room. In the room I can play with toys. I will be safe when I play.

When I need a break, I can tell an adult. If I need to go to the bathroom, an adult will show me where it is.

My adult will tell me when it's time to go home. I will stay safe and calm in the parking lot. I will stay with my adult.

I did a great job at Healing Hearts!
