

Training in Interdisciplinary Partnerships and Services for Kids

Recruiting for the 2023-24 Academic Year!

About the program:

TIPS for Kids is the Leadership Education in Neurodevelopmental and Related Disabilities (LEND) training program in Missouri. The purpose of the program is to enhance outcomes for children with autism and other developmental disabilities by training future healthcare professionals, families, and self-advocates in evidence-based, interdisciplinary, family-centered, and culturally competent practices. Applicants must be in good academic standing with their department. Accepted applicants are required to pass a background check per MU Healthcare policies.
